

***Seonus Stevedoring – Jacksonville LLC***

SEAONUS Stevedoring recognizes its responsibilities for the wider environment and to the local community. It is committed to comply with all relevant environmental regulations and other requirements at local, regional and national level as a minimum performance. SEAONUS is committed to continually improve environmental performance through appropriate initiatives, controls, provision of resources and training of employees. SEAONUS is committed to the continual improvement and prevention of pollution which will minimize adverse impacts on the environment of our activities and services.

An Environmental Management System has been established that complies with the International Standard ISO 14001:2004. This integrates environmental understanding and control into other systems and procedures under the direction of the senior management team with the support of all employees, suppliers and contractors.

This Environmental Policy is communicated to all employees and those working on our behalf and is made available to the public on the company website.
